- PTFW Table needs volunteers to run the table during open campus. The Fundraising table should be located next to the PTFW Table so that Sarah and Joyce can help manage both.

The theme for this year is "All In". This is to invite ALL grade levels to support the teams. Increasing price of Boosters.

Athletics:

Suggested selling more items at concession stands, specifically more hot items. Sam's Club does provide hot dogs when a letter is written. We would like for a parent or group of parents to purchase for us to resell for profit. Coach Lane would like more support for the football team. Send communication with Matti and Gigi for social media blasts of sporting events. Poinsettia sales will start earlier this year. We map do a car wash with/for the athletes

Fine Arts:

Fall production TBA November 1st and 2nd
