This is a half day! That means noon dismissal.

- Spirit shirts to coordinate on spirit days in December.

Treasurer Melissa Brockman

\$283.29 from spirit night at PDQ last month. We currently hold \$5,569.29 in our fund.

Gigi Cooper

- Fun Run collected \$21,000 so far. Playground set will be purchased. However, it will take time as we must permit through the city, then there will be demolition and removal. It's a time-consuming process. Inquiry was made about relocating playground to make room for a sports facility. This would be the perfect time to take advantage of that if we choose to do so. The logistics of this multi-purpose field is still in inquiry stages. We want everyone to understand that this is a process but the new playground IS happening!

- Annual fund went well!
- Gala is approaching. March 27th PCGCC. We would love to have a meeting for prospective volunteers. delegate tasks like donation requests, baskets, tables, planning and prepping, etc. We will send out a save the date this year. The theme is USO 40s flair and we are very excited to see that military theme shine through. There will be a silent auction for only one hour. During dinner, we will have guest speakers and an award for donor of the year.

Lisa Milne

- Playbill is done! We offered parents the opportunity to recognize their children in the play bill. It was a huge success. Raised \$600 in playbill advertisements which covers the cost of printing.
- Cast party is this Saturday.
- We will be selling flowers, balloons and concessions at the show. We need 6-8 volunteers per show.

Homeroom Parents

- Each class did not get a parent
- Wish lists will be going out and potentially sharing between faculty

Melanie Humenansky

- We recognize how the annual fund ran into the fun run. We will make adjustments to the calendar next year to space out the requests. We hear you when you share your ideas. The PTFW meetings are a great place to come and voice your concerns and recommendations. Please bring them to our next meeting! We are really excited about how well all of these fundraisers went.
- Veteran's Day Chapel November 13th. We encourage you to send in photographs of family members who have served. This is a wonderful service honoring our Veterans.
