BCS Families,

We continue to closely monitor the [CDC](#) and [World Health Organization](#) for updates regarding COVID-19. Your family's health and safety are of utmost importance.

As stated in previous emails, we ask that you continue to monitor the CDC. **Please notify the school of any spring break plans that include traveling out of the country or cruises.** We kindly ask that parents also notify the school if you (parents/guardians of our students) travel out of the country at any point as well. We are asking individuals (students or parents/guardians) who travel out of the country to said locations to take a self-initiated 14-day quarantine upon return.

Bayshore Christian School will follow the Hillsborough County School District for school closures unless there is a case within our own school community. We may return sooner than the public school district depending on our specific school community.

We have plans for remote learning which we will share if the need arises. Students will need access to WiFi and students in 5th through 12th grades will use their electronic devices. Parents of our younger students would receive information via email/RenWeb and possibly given materials. **To be prepared, we are asking every student, parent, and teacher to know their RenWeb account username and password. Additionally, every student should be prepared with their log-in information for their classes.** If you do not know or have forgotten your log-in information, please contact the school office.

We believe, with the proper precautions and hand washing practices, we can minimize exposure for our student population.

We continue to pray for the safety of our BCS families and our nation.

Have a wonderful spring break and we will continue to communicate with you with updates.

Sincerely,  
Melanie Humenansky  
Head of School

***Our Verse for 2019-2020:*** "God did not give us a spirit of fear or timidity but of power, love and self-discipline." 2 Timothy 1:7

***Our Mission:*** Bayshore Christian School is committed to challenging, developing, and empowering students for future leadership with a Biblical worldview within a diverse and nurturing environment, so that each student will follow the example of Jesus to "grow in wisdom and stature and in favor with God and man."
