Good Afternoon Faith Warriors,

We are fortunate to continue to have the opportunity to host both indoor and outdoor athletic events at Bayshore Christian School throughout the ongoing pandemic. While the school is currently operating under a mask mandate, we require all guests attending indoor sporting events at BCS to properly wear a mask, covering both nose and mouth. Even students whose parents have signed a waiver for the school day need to wear a mask during indoor athletic events. We also require this of our visiting teams. Due to the inability to monitor medical exemptions, guests who are unable to properly wear a mask should not attend athletic events at this time.

We continue to hope and pray for a decline in cases both in the Tampa Bay area and at BCS, as well as for the safety of our students and families. Currently 2% of our student population is in quarantine. We appreciate families following the current guidelines and procedures. Thank you for helping us keep our students, their families and those of our visiting guests/teams safe.

Sincerely,  
Melanie Humenansky
