

Early Childhood and Lower Division Parent and Student Handbook

The philosophy of Bayshore Christian School underlies the development and maintenance of the school's entire program.

This philosophy encapsulates our motto, vision, mission, and core values.

***Motto: "We are Bayshore:
Scholars, Leaders, Faith Warriors"***

Vision:

Shaping young people in Christ to make an impact in the world.

Mission:

Bayshore Christian School challenges, develops, and empowers students for leadership by following the example of Jesus to "grow in wisdom, stature, and in favor with God and man." Luke 2:52

Authority of Statement of Faith:

The Statement of Faith does not exhaust the extent of our faith. The Bible itself is the sole and final source of all that we believe.

We do believe however, that the foregoing Statements of Faith accurately represents the teachings of the Bible and therefore, is binding upon all teachers.

We believe in God, the creator of heaven and earth.

We believe God created male and female in His image.

We believe God consecrated marriage as the union of a man and a woman.

We believe in the trinity: God the Father Almighty, Jesus Christ, his only Son, and the Holy Spirit.

We believe that Jesus is Lord; that he is divine, that he is God.

We believe that Jesus was conceived by the Holy Spirit.

We believe that Jesus was born of a virgin.

We believe that Jesus atoned for the sins of all mankind when he was crucified.

We believe that Jesus died and was buried.

We believe that Jesus was resurrected from death and is alive today.

We believe that Jesus sits at the right hand of the God the Father Almighty.

We believe that Jesus will return to this earth to judge all mankind.

We believe in everlasting life.

We believe in the Bible as the inspired word of God, inerrant and true.

Kindergarten – 5 th Grade	8:15 a.m. – 2:45 p.m.
6 th – 12 th Grade	8:00 a.m. – 3:00 p.m.

Half Day

Half days are added to the school calendar located at www.bayshorechristianschool.org.

Campus gates are closed between 8:15 a.m. – 2:15 p.m. All visitors to campus will need to enter the southeast gate and park in the front parking lot.

According to our security policy, please bring driver's license to sign-in at the office before going anywhere on campus. Please minimize early sign-out due to the disruption of valuable classroom instruction.

2. PARENT INFORMATION

Communication with Faculty and Staff

Parents are encouraged to contact their child's teacher with questions or concerns. The best way to initiate communication is via school email. All BCS faculty, staff, and administrators have a school email that is first initial, last name, @bayshorechristianschool.org. A complete list of faculty and staff, with corresponding contact information, may also be found on the website on the [Our Faculty & Staff page \(www.bayshorechristianschool.org\)](http://www.bayshorechristianschool.org).

Campus and Classroom Visitation

Parents are welcome to visit campus and our classrooms. Please contact the individual teachers in advance of any classroom visit, so a mutually agreeable time to visit may be planned. Any and all campus visitors must first sign-in at the school office. Please bring a driver's license to complete this sign-in process.

Parent / Teacher Conferences

Parents are encouraged to schedule conferences with their student's teachers on an as needed basis. There are two formally scheduled conference events each academic year, one in the fall and one in the spring. Detailed information regarding these specific conference evenings is provided in advance of each event by both the school office and individual faculty members.

Staying Updated

The [FACTS Family Portal](#) allows parents to view the student's grades, upcoming assignments, attendance, and billing information. The BCS website also allows parents to view information about the life of the school, pictures, school news, and calendar information. The website includes an interactive calendar of events to which we encourage all parents to subscribe, as well as, other important information.

Progress reports will be sent home via email for all students in grades 2-12 at the midpoint of each grading period.

Items that need to be delivered to students during the school day need to be brought to the school office. If you need to send a message to your child during school hours, please call the office and a message will be delivered. Except for emergencies, we do not call students to the phone. A message may be given to a student to call a parent during a convenient break (e.g. lunch). **Parents are not to call or text students on their personal cell phones during the school day.**

Matthew 18 Principle

We ask each member of the BCS community to promote positive communication by following Biblical principles and by speaking the truth in love when expressing a disagreement or resolving a problem (resolving person-to-person conflict using the principles found in Matthew 18).

If a student has a concern or complaint about a specific teacher, coach, and/or administrator, it is essential that the initial communication be with the specific individual. The student should be encouraged to speak with the individual first. If the concern continues or is not resolved, then the parent should speak with the individual. The next step would be to speak with the appropriate division head (Mrs. Sander for middle division and Mrs. Kolbe for upper division). The next step would then be to speak with a school administrator (Mrs. Humenansky, Mrs. Bailey, and/or Mr. Ross). Parents should advise their child on the approach to begin resolution of a conflict.

If a parent has a concern or complaint about a specific teacher, coach, and/or administrator, parents should also adhere to the Matthew 18 principle of resolving conflict as described above. Initial communication should be with the specific individual, then division department heads, and finally administration should resolution not be possible or concerns continue.

Honor Roll is a quarterly reward and recognition of academic achievement for grades 3 through 12th.

Principal's Honor Roll: All A's, E's and S's

Honor Roll: At least 4 A's and no grade lower than a B or Satisfactory

Learning Management System

Students in grades 2-5 are required to use Microsoft Teams/FACTS as a Learning Management System on their iPads as directed by their classroom teachers. Students in K-1 will practice Microsoft Teams activities in class and prepare in case the need arises for blended learning. All students will be trained on MS Teams/FACTS. Assignments, projects, assessments, classwork, homework, live chats and live streaming will take place via Microsoft Teams.

When live streaming on any platform, students are required to fully participate with their iPad cameras appropriately focused on them, the student. Students should be dressed in BCS appropriate attire when streaming for class purposes. Students should have headphones available to decrease distractions.

Athletic Academic Eligibility (extra-curricular)

In order to participate in extracurricular activities, students must be able to maintain passing grades in all classes to remain eligible to participate.

Any student who is ineligible to play is ineligible to practice or work out with the team.

Students who become eligible after a sport season has begun may be added to the roster, space permitting. These students will be added only if the following requirements are met: a positive faculty recommendation is received by the coach, a positive administration recommendation is received by the athletic director, and only if the ongoing sports team does not have a rule about joining its team in the middle of a season.

Academic Standards

Academic dishonesty is defined as any activity that tends to undermine the academic integrity of BCS. Academic dishonesty includes, but is not limited to, the following: cheating, fabrication, plagiarism, interference with other students' work, or facilitating academic dishonesty. An administrative review will occur in all instances of academic dishonesty. Consequences may include: partial/full loss of credit for the assignment, exam, or project that is the subject of academic dishonesty; loss of credit for the class that is the subject of academic dishonesty; removal from student leadership positions (student government, valedictorian, salutatorian); and /or any Category I, II, and III consequences as described in detail in Section 9 of this handbook (Conduct and Discipline). In instances of academic dishonesty regarding a specific assignment, exam, or project, students may or may not be allowed to redo such assignment, exam, or project with a reduced grade awarded.

Academic Probation

Students not maintaining current grade level standards may be placed on academic probation. Parents will be notified and the administration will review each case on a continuing basis. Students who do not maintain a 2.0 GPA in the "core" subjects (English, History, Math and Science) will be considered for probation.

Course Work

All course work shall follow the guidelines of the teacher syllabus for each specific class. Students will receive an incomplete ("I") on their report card if the course work was not completed within the nine-week grading period, or longer if extenuating circumstances apply. The student is responsible for classwork/homework in all classes.

Homework

Homework is defined as all additional assignments, or as a remedial activity, an enrichment activity, part of special project, or long-term projects that may require extra time outside of class.

Students are expected to complete homework assignments on time. The time required to complete homework varies depending on the grade level of the student. If the assignment is posted on MS Teams/FACTS, it is expected to be turned in when the student returns to school unless communication is made with the subject area teacher. If it is not posted, the student has the number of days they were absent to turn in the assignment.

Exams or tests

Students in grades 2-5 may be given comprehensive exams over material covered during the quarter, unless otherwise specified by the classroom teacher.

Any make-up exams may be given as designated by the teacher or administration.

Honor Roll

Honor Roll is a reward and recognition of academic achievement and exemplary behavior.

Principal's Honor Roll: All A's, E's and S's

Honor Roll: At least 4 A's and other grades B's, E's and S's

Community Service

Because we are a ministry, we believe our students should be encouraged to be involved in serving others. Preschool and elementary students will be given the opportunity to make cards for hospitals, military, nursing facilities, participate in food and toy drives, and other service projects throughout the year.

Bible Teaching/Chapel

The fundamental spiritual basis of BCS is the belief that the Bible is inspired by the Holy Spirit, and is the infallible Word of God. Students study the Bible, memorize scripture, and attend weekly chapel to learn Bible content, Christian principles, and how to apply the Word of God and Christian principles to their lives.

Bible is the foundational subject in our school. All students in grades 3 through 12 are required to have a traditional translation of the Bible for classes. The New International Version (NIV) of the Bible is used in Bible courses. Inspirational chapel services are held weekly, during which time the students learn, sing, and hear testimonies and character-building messages from the Word of God. Parents are invited to worship at chapel services. Chapel days will be every Wednesday throughout the year, unless otherwise noted.

Physical Education Requirements

Elementary students participate in physical education classes 2-3 times per week.

Testing Program

National achievement tests (the Iowa Basic Battery) are administered to grades K5-8th each year in the Spring. This is a week-long test. Students who are absent during that week will not be able to make up the test. Testing results are e-mailed home at the beginning of the summer.

Virtual Learning/Blended Learning Protocol

Blended learning is an option if one of the situations below has occurred.

- If the classroom/school needs to close 48-72 hours for sanitation
- Student tests positive for Covid-19 and must quarantine
- Student travel requires quarantine
- Student has been exposed to Covid-19 and required to quarantine
- Student is immuno-compromised or has underlying health conditions
- Other situations as determined by Administration

Blended learning pace is determined by the instructor based on students' needs and level of understanding. Be prepared for a full day of instruction, which may include live

streaming of synchronous instruction and/or e-learning with structure provided by the teacher. Time may be allotted for independent classwork, group work and/or assessments. Homework may or may not be assigned outside of the class period.

When will virtual learning occur?

- Due to State of Emergency declared by Local/State Government
- Delayed reopening due to inclement weather

K-5th Grade Sample Schedule:

- 1st-8th Period: 35 Minutes: Estimated: 10-20 minutes of live/synchronous instruction with blended learning assignments/group work/independent work
- Break time: 10 minutes – off line
- Lunch time: 30 minutes – off line
- Class Transitions: 2-5 minutes

Technology/Student Expectations:

- School issued iPad/Chromebook must be fully charged for school day usage (on campus/blended learning)
- School issued iPad required for Blended Learning and on campus
- Software/Applications pre-loaded to BCS issued iPad
- Check school issued email frequently during the school day
- Camera must be on and student visible within full screen display
- Teacher will guide camera use from initial class check-in.
- Student must be fully dressed with BCS appropriate attire

5. ATTENDANCE REQUIREMENTS

To Be Counted Present

For K-5th grade students for a school day, the student must be present for at least one half of his or her scheduled classes for that day, except if involved in a school-related activity. A student must be in attendance for at least one half of his or her scheduled classes to be eligible and participate in extra-curricular activities for that day unless approved by administration. This includes meetings, practices, and/or games.

Tardiness

To School:

Students are expected to arrive at school on time every day. Parents are expected to insure that students arrive on time. Tardiness will be monitored by the administration. If a student arrives at school after classes have begun, including Chapel, he/she must obtain an admission slip from the school office before being admitted to the classroom.

Excessive unexcused tardiness may result in the following:

- | | |
|-----------------------------------|--|
| 3 rd unexcused tardy: | Parents notified via email from Administration |
| Five or more unexcused tardiness: | Parents notified by Administration and possible work detention |

Excessive unexcused tardiness may result in academic penalties or additional disciplinary action, and an administrative conference with the parent and student.

Excused Absences

The following shall constitute a valid excused absence for non-attendance of part or all of a day for a student at school, provided satisfactory evidence of the excuse is given to the school office in writing within 24 hours of the student's return to campus: personal illness or injury; death, illness or injury within the immediate family; instances where attendance by the pupil would be hazardous; prior approval of special absences; school-related activities; or validated doctor appointment.. Parents must notify the school office prior to 9 a.m. on the day of the absence.

We strongly encourage appointments to be made outside of normal class time. All schoolwork must be kept current. Family vacations are not considered excused absences and should be limited to school holidays: Thanksgiving, Christmas, and Spring Break. Prior approval is required for extended absences.

Unexcused Absences

The day the student returns to school, parents must communicate with the school office explaining why the student has been absent from school. Any reason other than the reasons listed in the "Excused Absences" section constitutes an unexcused absence.

Excessive Absences

In order for students to gain the most in school, they must be in regular attendance. Excessive absences (excused or unexcused) could place promotion and/or re-enrollment in jeopardy.

A student who misses 15% or more of their class time in an academic semester is considered excessively absent. Consequences for excessive absences include, but are not limited to, parent conferences, detention, suspension, dismissal, and/or grade retention. A student with a history of excessive absences may become ineligible to re-enroll in BCS. In cases of extended illness or injury, a parent may be required to submit a written statement from a doctor indicating the dates and reasons for the student's inability to attend classes.

Any student who is absent more than 20% of their academic year (excused or unexcused) may not be promoted to the next grade level or pass the course. Any exception to this policy must be approved by the Administration.

Pre-Approved Absences: TIMELINE

Any reason for absenteeism other than those listed above must be approved one week in advance. These may include attendance at a Christian retreat, educational travel, court proceedings, and immediate demands of the home. Students should turn in a completed assignment slip with the parent's signature and the teachers' signatures to the school office for administrative approval. The purpose of the assignment slip is to ensure that assignments are obtained and necessary arrangements are made prior to the scheduled absence. In the event that student assignments can be obtained from the FACTS Family Portal system/Microsoft Teams, an assignment slip is still required.

Students will be encouraged to do their work in advance of the excused absence if possible. If major assignments will be missed, arrangements should be made prior to the absence. All projects, papers, or tests should be turned in prior to the trip unless special arrangements are made with the teacher. A request for absence submitted less than one

week in advance will be denied unless there are extenuating circumstances. If an assignment slip is not obtained and processed as stated, the absence will be considered unexcused.

Leaving School Early

A student will be allowed to leave school early when parent or designated adult on pick-up list comes into the office to sign the student out. All students who leave campus for part of a day must have a parent or designated adult sign them out in the office. Upon return, the parent or designated adult must sign them in. Absences from class will follow the “Attendance Requirement” guidelines to determine excused or unexcused status.

Work Missed

Parents of absent students should check the FACTS Family Portal for work assignments. If this information is not available, call the school office prior to 9:00 a.m. to request work assignments in order to allow teachers time to make appropriate arrangements. It is the student’s responsibility to obtain class notes and make-up work. Students/parents should also check the FACTS Family Portal and Microsoft Teams for any assignments missed or upcoming tests/quizzes.

An unexcused or incomplete homework assignment may be recorded as a zero. Any continued recurrence may result in a parental conference for suitable corrective alternatives.

Students are expected to complete homework assignments on time. The time required to complete homework varies depending on the grade level of the student. If the assignment is posted on the FACTS Family Portal or Microsoft Teams, it is expected to be turned in when the student returns to school unless communication is made with the subject area teacher. If it is not posted, the student has the number of days they were absent to turn in the assignment.

Any student who checks out of class before half of the class is over for any reason other than medical emergencies or school-related activities will not be given credit for attending.

If a student's absence is excused, work may be made up and tests rescheduled. It is the student's responsibility to make arrangements with the teacher to make up the work or schedule make-up tests. If a student's absence is unexcused, work due and tests given the day of the absence may not be made up, and the student may receive zeros for this work.

Perfect Attendance

Perfect attendance is the absence of any tardiness, partial days, or days lost from school with the exception of approved school activities and functions such as school competitions or field trips and approved doctor appointments (check-ups, dental cleanings, etc.). Perfect attendance will be recognized by the Administration at the end of each year.

The bed uses paper linens for cleanliness. The bed is wiped clean with disinfectant wipes between student visits and at the end of the day. Isolated students are supervised by a school secretary certified in first aid and CPR. All clinic visits are recorded in FACTS SIS under the student’s medical event log.

Medications

Students are not allowed to have medication, over-the-counter or prescriptions, with them in the classroom. BCS is required by the Florida Statutes 232.46 and 230.0316 to have written permission from a guardian or parent before medications are dispersed. Medications must be in the original packaging. Prescription medications must be in the prescription container with date, dosage, and name of drug, student and physician’s names clearly marked. Medications should be sent to school with a responsible adult.

Parents must come to the office to complete a medication form if students are required to take medications during the school day. A new form is needed for any changes in the disbursement or name of drugs. Medications are kept in a locked cabinet within the school office.

Emergency medications are stored where they can be easily accessed by faculty and staff should the need arise. Parents must communicate with the school office any changes to their child’s conditions requiring emergency medications. During field trips, emergency medications are transported by BCS staff members and returned to school at the end of the trip.

ILLNESS POLICY

In the interest of providing a safe and healthy environment, students showing signs of illness while at school will be sent home and may return to school only with a note from a physician. A negative Covid test is not sufficient for return to school. Students sent home from school and their siblings should not be at school or attend school related events. Additionally, if any member of the student's household is ill with any of the following symptoms, all students from the family must remain at home until cleared by a physician. 8. COMPUTER USE/iPads

All 3rd –12th grade students will be issued an iPad for academic use. Internet connected computers are also available on campus for research, project-based learning, coursework and eBook connections. Students will receive instructions prior to use. Filtering software is enabled on all campus computers and wireless networks in order to minimize the risk of exposure to inappropriate material. Students using iPads and/or electronic devices on campus must use the school Wi-Fi connection. Using a personal hot spot or Wi-Fi service connection will result in having the device confiscated. The student will then be disciplined according to policy. Virus protection software is used and updated regularly.

Downloading inappropriate information or changing any computer settings will be considered vandalizing school property. Students involved will be disciplined and use of a school computer could be suspended or terminated.

Students will use the internet for educational purposes only. Students will not copy information into assignments and fail to acknowledge the source (plagiarism and copyright infringement). Downloading materials or images not relevant to their studies is in direct breach of the school's acceptable use policy.

Misuse of the internet may result in disciplinary action, including written warnings, withdrawal of access privileges and in extreme cases, suspension or expulsion. Parents and students must sign an agreement form prior to computer/iPad use.

Electronic Devices: iPads and/or electronic devices should be used in class as part of classroom curriculum or outside of class for academic work/study purposes. Parental communication during school hours is only permitted via the phone in the school office. If a student misuses any electronic device during school hours, the device will be collected by a teacher or administrator and turned in to the main office. On the first violation, the student may pick up the electronic device in the office after school. For subsequent violations of the policy, the parent or guardian must come into the office to retrieve the electronic item.

Network/Internet Access Policy: Students may not violate the personal rights of others in any school situation where a reasonable expectation of privacy exists. These locations and circumstances include, but are not limited to, locker rooms, restrooms, and any other area where students or others may change or be in any stage of disrobing or changing clothes. This expectation of privacy includes no passive recording where a device might be left so that students may not be aware that their image and/or voice is being recorded.

Active or intended image capture/recording anywhere on campus during school hours, either indoors or outdoors, is prohibited without administrative approval. Active image refers to still or moving images obtained by a photographic device (camera, video, CCTB, camera-enhanced smart phone, iPad/tablet or computer of any kind from current or future technologies). In addition, uploading of said images to any social networking site is strictly prohibited without administrative approval.

Prohibited Devices: Smart watches, cell phones, or other wearable or handheld electronic devices are not conducive to a serious learning environment and they are prohibited during the school day. This includes phone in “silent” mode. Phones and wearable devices will be confiscated by the teacher and remitted to administration. Phones and wearable devices will be confiscated if they are “seen” during the school day. The first offense will be a warning. The second offense will be confiscation and afterschool/weekend detention. Further consequences include the need for parents to pick up the device and disciplinary referrals.

iPad Usage: Each BCS student in grades 6-12 is issued an iPad for academic use. These devices are issued pursuant to a yearly agreement between the parent, student, and the school. Each iPad is the property of BCS and parent/student accepts full and complete responsibility for the care and custody of their issued device for the duration of the school year. The intended use of the iPad is for academic purposes; iPads shall be used solely for this intended purpose at all times (whether on campus or off campus).

Refer to User Agreement per iPad issued.

The iPad is to be brought to school each day for academic use. The iPad should be on campus, fully charged, at the start of each academic day. Should a student forget or neglect to bring the iPad to school, or should the student fail to bring the iPad to campus fully charged, there will be a \$10 iPad/Chromebook daily rental fee assessed and the student will be provided an iPad/Chromebook for use from 8am-3pm on the respective academic day. This daily rental iPad/Chromebook may not be removed from campus and must be returned to the location of the loan no later than 3pm. Any and all daily iPad/Chromebook rental fees will be payable to BCS, and assessed immediately via the family FACTS account.

While using the iPad on campus, students must keep their issued device in their immediate personal possession and control, or secured in their assigned locker on campus.

8a. Blended Learning: COVID-19/Emergency School Closure

Blended learning pace is determined by the instructor based on students' needs and level of understanding. Students in grades K-2 will be issued an iPad from their classroom for blended learning use.

Be prepared for a full day of instruction, which may include live streaming of synchronous instruction and/or e-learning with structure provided by the teacher. Time may be allotted for independent classwork, group work and/or assessments. Homework may or may not be assigned outside of the class period.

Please refer to the section on Virtual Learning/Blended Learning Protocol for more information.

9. CONDUCT AND DISCIPLINE

One of the chief components of discipline at BCS is the understanding that the school is not the primary discipline provider of any student. Parents are the primary discipline providers for their own children. However, by attending BCS and agreeing to uphold the philosophy, mission, and policies of the school, each student has placed himself/herself under the school's authority, rules, and policies. When students enroll at BCS, they agree to abide by the standards of the school *on and off campus*.

BCS will enforce discipline from a Biblical standpoint. We strive to have a society that reflects Christ-like behavior. All students should understand and abide by our effort to enforce Biblical discipline.

The Honor Code

The Honor Code encompasses six main areas: lying, and/or cheating, stealing, defaming others, intentionally damaging the property of another, or remaining silent while having knowledge of these actions. In the BCS community, lying, cheating, stealing, defaming others and intentionally damaging the property of others will not be tolerated.

Lying: A person lying or purposely misrepresenting the truth violates the Honor Code.

Cheating: A person giving or receiving unauthorized help on a test or graded assignment or a person submitting the work of another as his/her own work (plagiarism) violates the Honor Code.

Stealing: A person taking belongings or materials which are the property of another violates the Honor Code.

Defaming Others: A person writing or speaking with malicious intent to injure unjustly a person's reputation violates the Honor Code. Malicious intent is the deliberate attempt and plan to do harm. This includes all communication sent via text message and social media outlets. (Online bullying and sexting are examples of defaming others.)

Intentionally damaging the property of another: A person deliberately and intentionally causing damage to property of the school, the property of the faculty and

staff and administration, or the property of his/her fellow students violates the Honor Code.

Remaining silent while having knowledge of these actions: When someone has personal knowledge of Honor Code violations, they are obligated to inform the proper authority (teacher, coach, administrator, etc.)

Corrective Discipline

Order is necessary in any school to maintain control and to effectively teach. To teach self-discipline and respect for authority, certain standards of conduct are maintained at BCS.

Students are expected to comply with the standards and regulations of the school with a positive attitude. They are encouraged to use respectful manners when conversing with a teacher or other adults. Correction by a teacher should be accepted without argument. If there is a question concerning the violation of a rule, the student should discuss it with the teacher privately. Courtesy and respect for fellow students is also expected. A student who does not respond to corrective discipline and who displays an attitude which is consistently out of harmony with the spirit of the school, will be considered for dismissal.

BCS reserves the right to suspend and, when circumstances warrant, to dismiss students whose behavior is disrespectful, disruptive, immoral, or illegal. BCS also reserves the right to suspend or dismiss a student whose conduct is detrimental to the school community. This includes behavior at school activities and outside of the school campus or school related activities or events.

The disciplinary process of the school is designed to support the members of the school community and the school's mission and reputation. It is the intention of the school to use minor problems and misconduct as teaching opportunities. BCS will, however, separate the student from the school when actions or behaviors of the student or family damage the community or the ability of the school to pursue its goals, whether on campus or not.

Discipline Categories and Consequences

Misconduct has been classified and divided into three categories, depending on the severity of the violation. The category and the consequences are at the discretion of the teachers, and/or the administration.

Category I

These incidents are activities that violate Category I rules or any other minor disturbances that prevent classroom order and instruction, such as, but not limited to the following offenses:

- Dress/Hair code violation
- Late homework
- Talking or disrupting class
- Tardy to class
- Public display of affection
- Chewing gum
- Food or drink in class or hallways

Inappropriate use of electronic devices

Consequences: Additional work, lunch detention, after-school detention, parent notification via the FACTS Family Portal, student-administration conference, suspension of extra-curricular activities or Category II consequences for recurrent offenses, as determined by the Administration.

Category II

These incidents are activities and attitudes that show a lack of respect for authority, frequent and repeated violations of Category I offenses, or any of the following offenses:

- Cheating
- Plagiarism
- Leaving school grounds without permission
- Using profanity
- Misconduct
- Disrespect of authority
- Destroying school property or personal property
- Truancy
- Lying
- Not attending scheduled detention
- Inappropriate use of electronic devices

Consequences: Student-administration conference, parent-administration conference, FACTS Family Portal notification, multiple-day detention or suspension, suspension of extra-curricular activities or Category III consequences for recurrent offenses, as determined by the Administration.

Category III

These incidents include violation of U.S., state, or local laws, activities that seriously threaten the safety of the student or classmates, activities that show gross lack of respect for authority or property, and activities that violate Biblical moral codes of conduct, frequent and repeated violation of Category II rules, or any of the following offenses:

- Fighting

- Using or possessing controlled substances, alcohol, or tobacco, regardless of age
- Inappropriate use of electronic device

****No weapons of any type or objects that may serve as a weapon, including pen knives or pocket knives, or items that look like or resemble weapons are allowed on school grounds.***

Consequences: Offenses will result in suspension or dismissal/withdrawal, as determined by the Administration. Police will be notified at the discretion of

Administration.

Public Displays of Affection: Kissing, hand holding, clinging, hugging, and any and all other displays of romantic affection are not appropriate to the academic setting. The first offense will be a warning. A second reminder in this regard will result in a parental call, conference, or disciplinary action.

Summary of Consequences

Detention

Elementary detention is held from 3:00 – 3:45 p.m. Middle and Upper Division detention is from 3:10 pm – 4:10 pm. Appropriate work will be given and is expected to be completed by the student during this time. Manual labor may be given; this may include cleaning classrooms, facilities, etc. Multiple detentions may result in suspension. Failure to attend the detention at the appointed time will result in additional detentions being required. The second and subsequent failure to attend the detention will result in a suspension for each detention missed.

Dismissal from BCS

Dismissal will be recommended if it becomes apparent the school will not be able to meet the needs of a student, or if that student's behavior is preventing classroom instruction. In addition, the school reserves the right to dismiss any student who does not, or whose family does not, cooperate with BCS as determined by the administration.

Students who have been dismissed from BCS may not return to campus, whether during the school day or during on campus school events after school hours.

Suspension – In School

In-School Suspension (ISS) removes the student from class to be assigned to campus beautification, silent study hall or a combination of the two at the discretion of administration. When assigned to ISS, a student is counted as present in school and may make up all work missed. Students assigned ISS may not participate in any school functions unless approved by administration.

Suspension – Out of School

Out-of-School Suspension (OSS) may be assigned for a period of time to be determined by the administration. It may also be assigned if In-School Suspension has been used and not proved effective in producing an obedient response. No missed work, including assessments, will be made up and may result in a decline in a student's quarter/semester grade. A student receiving OSS is not eligible to participate in the next extracurricular activity in which he or she is enrolled.

10. SEARCH AND SEIZURE POLICY

The school administration makes every attempt to maintain a school environment that is safe and conducive to learning. Whenever the school has reasonable suspicion, the administration reserves the right to search student lockers, book bags, backpacks, purses, automobiles, water bottles, pockets, or effects and to confiscate any contraband items. Also subject to search would be any computer, software program, external data storage device, phone, or CD.

Searches will always be facilitated by an administrator and could include another adult witness. Drug sniffing dogs may be employed in the search. The City of Tampa Police Department will be notified in the event that a crime has been committed.

11. POLICY ON DRUGS, ALCOHOL, VAPING

If it becomes necessary the procedures of this policy will be followed. The details are found in the Middle and Upper Division Handbook.

12. SEXUAL HARASSMENT and MISCONDUCT POLICY

If it becomes necessary the procedures of this policy will be followed. The details are found in the Middle and Upper Division Handbook.

BCS is committed to maintaining an academic environment in which all individuals treat each other with dignity and respect and that is free from all forms of intimidation, exploitation, and harassment, including sexual harassment. BCS is prepared to take action to prevent and correct any violations of this policy. Anyone who violates this policy will be subject to discipline, up to and including expulsion.

13. STUDENT BULLYING AND OTHER FORMS OF AGGRESSION

Aggressive Behavior is defined as inappropriate conduct, whether a single isolated incident or repeated incidents that are serious enough to negatively impact a student's educational, physical, or emotional well-being. This type of behavior is a form of intimidation and harassment. It includes, but is not limited to, behaviors such as stalking, bullying/cyber-bullying, sexting, intimidation, menacing, coercion, name-calling, teasing, taunting, making threats, and hazing. In the event that aggressive behavior occurred off-campus, individuals committing such aggressive behavior may be disciplined as provided in this policy.

Bullying is defined as willfully and repeatedly exercising power or control over another by systematically and chronically inflicting physical hurt or psychological distress on one or more students or school employees. (i.e., repeated oppression, physical or psychological, of a less powerful individual by a more powerful individual or group). Bullying can be physical, verbal (oral or written), electronically transmitted, psychological (e.g., emotional abuse), through attacks on the property of another, or a combination of any of these. Some examples of bullying are:

Physical - hitting, kicking, spitting, pushing, pulling, taking and/or damaging personal belongings or extorting money, blocking or impeding student movement, unwelcome physical contact.

Verbal (oral or written) - taunting, malicious teasing, insulting, name calling, sexual, religious, or racial harassment, making threats.

Electronically transmitted – as defined below.

Psychological - spreading rumors, manipulating social relationships, coercion,

or engaging in social exclusion/shunning, extortion, or intimidation, dehumanizing gestures or public humiliation.

“Relational Aggression” is behavior that is intended to harm someone by damaging or manipulating his or her relationships with others. Relational Aggression is not always obvious and can include physical, verbal (malicious gossip, putdowns, insults, spreading rumors, lies, telling secrets, name calling, and threats to withdraw friendships), or covert (body language, eye rolling, social exclusion, ignoring) aggression.

“Cyberstalking” as defined in Section 784.048(1)(d) of the Florida Statutes, means to engage in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific person, causing substantial emotional distress to the person and serving no legitimate purpose.

“Cyberbullying” is the use of information and communication technologies such as e-mail, cell phone, text messages, instant messaging, social media, personal web sites, whether on or off school campus, to support deliberate, repeated, and hostile behavior by an individual or group, that is intended to threaten or harm others or which causes emotional distress to an individual to substantially disrupt or interfere with the operation of a school or an individual student’s ability to receive an education.

"Harassment" for purposes of this policy, includes, but is not limited to, any threatening, insulting, or dehumanizing act which subjects an individual or group to unwanted, abusive behavior of a nonverbal, verbal, written, electronically generated or physical nature directed against a student or school employee that:

1. Demeans a person;
2. Places a student or school employee in reasonable fear of harm to his/her person or damage to his/her property;
3. Has the effect of substantially interfering with a student’s educational performance, opportunities, or benefits; or
4. Has the effect of substantially disrupting the orderly operation of a school.

“Hazing” shall be defined for purposes of this policy as performing any act or coercing another, including the victim, to perform any act of initiation into any class, team, or organization that causes or creates a substantial risk of causing mental or physical harm. Permission, consent, or assumption of risk by an individual subjected to hazing shall not lessen the prohibitions contained in this policy.

"Intimidation" includes, but is not limited to, any threat or act intended to tamper, substantially damage or interfere with another's property, cause substantial inconvenience, subject another to offensive physical contact, or inflict serious physical injury.

"Menacing" includes, but is not limited to, any act intended to place a school employee, student, or third party in fear of imminent serious physical injury.

"Harassment, intimidation, or bullying" means any act that substantially interferes with a student's educational benefits, opportunities, or performance, that takes place on or off school grounds, at any school-sponsored activity, or on school-provided transportation, and that has the effect of:

1. Physically harming a student or damaging a student's property;
2. Knowingly placing a student in reasonable fear of physical harm to the student or damage to the student's property;
3. Creating a hostile educational environment; or
4. Substantially disrupting or interfering with the operation of a school or an individual student's ability to receive an education.

"Staff" includes all BCS employees.

"Third parties" include, but are not limited to, coaches, school volunteers, parents, school visitors, service contractors, vendors, or others engaged in BCS business, and others not directly subject to school control at athletic competitions or other school events.

Procedures for reporting bullying, harassment, or similar acts covered by this policy including provisions that permit a person to report such an act are as follows:

1. Any student who believes he/she has been or is the victim of bullying, harassment, or aggressive behavior is encouraged to report the situation to a faculty member, Head of School, or any BCS administrator.
2. Every student is encouraged, and every staff member is required, to report any situation that they believe to be bullying, harassment or aggressive behavior directed toward a student.
3. Any written or oral reporting of an act of bullying, harassment, or similar act shall be considered an official means of reporting such act(s). **Formal disciplinary action will not be based solely on the basis of an anonymous report.**

The investigation of a report of bullying, harassment, or similar act begins with a report of such an act. Procedures for investigation include, but are not limited to the following:

1. An investigation to determine whether a particular action or incident constitutes a violation of policy requires a determination based on all the facts and surrounding circumstances.
2. Consequences and appropriate remedial action for students, school employees, visitors, volunteers and contractors found to have wrongfully and intentionally accused another as a means of bullying or harassment will result in prompt and appropriate remedial and/or disciplinary action in accordance with Board policy. This may include up to dismissal for

students, discharge for employees, exclusion for parents, guests, volunteers, and contractors. Individuals may also be referred to appropriate law enforcement officials.

3. If a student's out of school speech or behavior results in a substantial disruption of an individual student's learning environment or substantially disrupts or interferes with the operation of the school, the student may be subject to discipline as provided above.

Retaliation against any person, who reports, is thought to have reported, files a complaint, or otherwise participates in an investigation or inquiry concerning allegations of aggressive behavior is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of policy and independent of whether a complaint is substantiated. Making intentionally false reports about bullying, harassment, and aggressive behavior for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Retaliation and intentional false reports may result in disciplinary action as indicated above.

BCS' referral procedure for victims and perpetrators of aggressive behavior, bullying, or harassment will consist of the following:

1. Referral to the school counselor for intervention and prevention support;
2. Informal consultation with parent/legal guardian with school staff (initiated by either the parent or the school staff) to determine the severity of concern and appropriate steps to address the concern.

14. CARE OF PROPERTY

The willful damage or destruction of school property will not be tolerated. All willful damage must be paid for. All students are expected to report any damage to furniture or other school property immediately.

All students at BCS are expected to take good care of the equipment, materials and school property used during the school day/year. Should a student behave irresponsibly with any of the school's materials or equipment and as a result break, lose, or destroy the equipment or material, the student will be required to replace the item.

No food or drink is allowed in the hallways or classrooms unless there is a special event or party. All food and drink brought from home for lunch should be stored in the appropriate container and not taken out until the designated lunch or break time. Water is acceptable at all times in all classrooms.

The administration reserves the right to send home any student if his/her dress is not within the uniform guidelines or is deemed inappropriate. Parents may also be notified to bring appropriate uniform items to school in order for the student to remain on campus for the school day.

Uniform violations will be recorded in the FACTS Family Portal and consequences are cumulative. The first offense merits a verbal warning.
