Parents/caregivers: For each story, talk to you child about any/all of the following to enhance reading comprehension skills. Encourage the child to speak in complete sentences:

1. The setting
2. The characters
3. The problem(s)
4. The solution(s)
5. Lessons learned
6. Likes/dislikes about the book and why.

Tips for Carryover

1. If the child struggles to finish a sentence/page, read the sentence/page together and have him read it again independently.
2. Try to have the child read each book twice (ex: finish a book together at home, and the child can read the book by themself in the car).
3. After reading the story on his own, have the child read the story to a younger child or sibling.
4. Have the child retell the story to you or someone else.
5. Draw a picture about the story
6. Set small goals and reward the child for achieving those goals (ex: for every 5 books they read, they gets a treat)
7. Praise small accomplishments (ex: reading a sentence or page independently).
