## 2. PARENT INFORMATION

### **Communication with Faculty and Staff**

Parents are encouraged to contact their child’s teacher with questions or concerns. The best way to initiate communication is via school email. All BCS faculty, staff, and administrators have a school email that is first initial, last name, @bayshorechristianschool.org. A complete list of faculty and staff, with corresponding contact information, may also be found on the website on the Our Staff page ([www.bayshorechristianschool.org](http://www.bayshorechristianschool.org)).

### **Campus and Classroom Visitation**

Parents are welcome to visit campus and our classrooms. Please contact the individual teachers in advance of any classroom visit, so a mutually agreeable time to visit may be planned. Any and all campus visitors must first sign-in at the school office. Please bring a driver’s license to complete this sign-in process.

### **Parent / Teacher Conferences**

Parents are encouraged to schedule conferences with their student’s teachers on an as needed basis. There are four formally scheduled conference evenings each academic year, two in the fall and two in the spring. Detailed information regarding these specific conference evenings is provided in advance of each event by both the school office and individual faculty members.

### **Staying Updated**

The RenWeb/FACTS SIS system allows parents to view the student’s grades, upcoming assignments, attendance, and billing information. The BCS website also allows parents to view information about the life of the school, pictures, school news, and calendar information. The website includes an interactive calendar of events to which we encourage all parents to subscribe, as well as, other important information.

Progress reports will be sent home via email for all students in grades 2-12 at the midpoint of each grading period.

Lunches, homework, and other items should be left with the school office to be delivered to your child. If you need to send a message to your child during school hours, please call the office and a message will be delivered. Except for emergencies, we do not call students to the phone. A message may be given to a student to call a parent during a convenient break (e.g. lunch). **Parents are not to call or text students on their personal cell phones during the school day.**

### **Matthew 18 Principle**

We ask each member of the BCS community to promote positive communication by following Biblical principles and by speaking the truth in love when expressing a disagreement or resolving a problem (resolving person-to-person conflict using the principles found in Matthew 18).

If a student has a concern or complaint about a specific teacher, coach, and/or administrator, it is essential that the initial communication be with the specific individual. The student should be encouraged to speak with the individual first. If the concern continues or is not resolved, then the parent should speak with the individual. The next step would be to speak with the appropriate division head (Mrs. Sander for middle division and Mrs. Kolbe for upper division). The next step would then be to speak with a school administrator (Mrs. Humenansky, Mrs. Bailey, and/or Mr. Day). Parents should advise their child on the approach to begin resolution of a conflict.

If a parent has a concern or complaint about a specific teacher, coach, and/or administrator, parents should also adhere to the Matthew 18 principle of resolving conflict as described above. Initial communication should be with the specific individual. Then division department heads, and finally administration should resolution not be possible or concerns continue.

**Teacher Assistant** Students may request to serve as a teacher assistant during a student’s junior and/or senior year, at the discretion of the college counselor. Freshmen and sophomores may request to serve as a teacher assistant if all schedule options have been exhausted. The students must have fulfilled all academic requirements and have no other academic options available to the student. Student academic and behavior records are taken into consideration when approving non-academic courses.

## Grading System/Scale

Grades for most subjects will be on a numerical basis. For permanent record purposes, the grades of 9<sup>th</sup>-12<sup>th</sup> grade students will be tabulated each year on a 4.0 quality point scale as follows:

<u>Letter</u>	<u>Grade Value</u>	<u>Scale</u>
A	90 - 100	4.0
B	80 - 89	3.0
C	70 - 79	2.0
D	60 - 69	1.0
F	0 - 59	0.0

The school year is divided into four nine-week grading periods of approximately 45 days each. A grade will be given in each subject taken each nine weeks. These grades are used to determine GPA's (Grade Point Average) for honor roll and probationary status.

## Grade Calculations

Semester and final grades are calculated as follows:

### 1<sup>st</sup> Semester Grade

1<sup>st</sup> Quarter Grade x 40%

2<sup>nd</sup> Quarter Grade x 40%

1<sup>st</sup> Semester Exam x 20%

### 2<sup>nd</sup> Semester Grade

3<sup>rd</sup> Quarter Grade x 40%

4<sup>th</sup> Quarter Grade x 40%

2<sup>nd</sup> Semester Exam x 20%

### Final Grade

1<sup>st</sup> Semester Grade x 50%

2<sup>nd</sup> Semester Grade x 50%

Credit is not given for any course if the final grade is below 60.

**High School Grading:** Semester grades are computed by averaging the two nine weeks' grades and the semester exam. If the semester exam of a senior student is exempted, the average is computed by averaging the two nine weeks' grades equally.

Semester averages will be computed using the exact numerical grades recorded on the report cards. The semester GPA is used to determine the cumulative (overall) GPA's and class rankings. Final grades are rounded as follows: .00-.49 is rounded down; .50-.99 is rounded up.

HCC dual enrollment classes and AP classes have an additional weight of .08 added to the semester GPA (not per nine weeks) for a grade of "C" or above. Students taking an AP class are required to take the AP final exam. High school Honors classes have an additional weight of .04.

## Advanced Placement Courses

If a student does not take the AP exam, the student forfeits the AP class credit.

## Graduation Guidelines

Students must earn 24 credits, including 18 specific required courses, in high school and have a minimum 2.0 overall GPA. Academic electives are preferred.

To qualify as valedictorian or salutatorian, a student must have been at BCS for at least four consecutive semesters from the first day of the junior year. Determination is made at the end of the second semester of the senior year, using the weighted average of all credit-earning courses taken up to that date. Any instance of academic dishonesty that occurred during the course of high school studies shall disqualify a candidate from consideration of valedictorian or salutatorian. Students who are otherwise eligible for valedictorian and/or salutatorian should be exemplary Faith Warriors, exhibiting traits of high character, academic integrity, and strong work ethic. Decisions regarding the award of valedictorian and/or salutatorian are ultimately within the discretion of BCS administration.

Many universities have specific admission requirements that include either a consecutive year two or three years of the same foreign language.

Before graduating, seniors receive their diploma and participate in the graduation ceremony, all criteria must be met and all obligations to BCS fulfilled. If a student fails to pass the required courses or perform the required service hours, he/she will not be able to participate in the graduation ceremony. The student must make up all work before August 1 to receive a diploma. All seniors will be required to accumulate a minimum of 80 hours (5 hrs. per grading period x 4 yrs.) of service through an approved non-profit group. Seniors should take either the SAT or ACT college entrance tests. All fees, charges, tuition, and monies raised for classes or projects must be reconciled prior to graduation and release of final transcripts.

### **Florida Bright Futures Scholarship Requirements**

The Florida Bright Futures programs (Florida Academic Scholar and Florida Medallion Scholar) have specific course, grade point average, service hours and SAT or ACT requirements. See the guidance counselor for more details because the guidelines for these programs change.

Further information and requirements may be obtained through Florida Student Financial Aid, <http://www.floridastudentfinancialaid.org/ssfad/bf/>.

### **Dual Enrollment**

Each year specific dual-enrollment courses are taught on Bayshore's campus through Hillsborough Community College, allowing qualified students to complete college courses during their junior and senior years. These courses are given an additional weight of .08 and are subject to HCC admissions requirements. The student also receives college credit, as well as high school credit for these courses. Students who participate in Dual Enrollment are committed throughout **both** semesters of the school year. When two Dual Enrollment courses are offered per semester, the BCS student **must** take **both** HCC classes through BCS.

Dual Enrollment classes are not to be taken in place of BCS classes.

Dual Enrollment is a privilege at BCS.

Students are responsible for enrolling at HCC and requesting approval from the BCS College Counselor, Christina Stenholm, before taking HCC courses. Visit [www.bayshorechristianschool.org](http://www.bayshorechristianschool.org), Academics, Guidance and Counseling for specific requirements.

\*Please note, HCC classes become an official document on the students BCS and college transcript.

### **On Line Classes**

Unless otherwise approved by the administration, in order to graduate from Bayshore, at least 75% of the core classes must be taken in a scheduled Bayshore class. On line classes are only used to supplement student academics, not to take the place of a BCS course offered on campus.

### **Microsoft Teams: Learning Management System**

Students are expected to use Microsoft Teams as a Learning Management System on their iPads as directed by their classroom teachers. All students will be trained on MS Teams. Assignments, projects, assessments, classwork, homework, live chats and live streaming will take place via Microsoft Teams.

When live streaming on any platform students are expected to fully participate with their iPad cameras appropriately focused on them, the student. Students should be dressed in Bayshore appropriate attire when streaming for class purposes. Students should have headphones available to decrease distractions.

### **Athletic Academic Eligibility (extra-curricular)**

In order to participate in extracurricular activities, students must meet or surpass academic standards. Student athletes must be able to maintain passing grades in all classes to remain eligible for athletics.

Each semester's grade report determines eligibility for the following semester. If a student has a passing grade in all classes and a GPA of 2.0 or higher, he/she is eligible to participate. If a student has a failing grade in one or more classes, he/she is ineligible to participate for the duration of the following semester, even if the GPA is 2.0 or higher.

A student that passes a class for the year, but fails the same class for the second semester will be considered ineligible for athletic participation for the first semester of the following year. The student will be required to make up the failed semester to regain eligibility. The repeated semester work will be used for athletic eligibility purposes only. The grade will be posted on the student's transcript.

A student that passes the second semester but fails the class for the year will be ineligible the first semester of the following year. The "failed class" must be retaken during the summer and passed in order to regain eligibility.

Any student who is ineligible to play is ineligible to practice or work out with the team.

Students who become eligible after a sport season has begun may be added to the roster,

space permitting. These students will be added only if the following requirements are met: a positive faculty recommendation is received by the coach, a positive administration recommendation is received by the athletic director, and only if the ongoing sports team does not have a rule about joining its team in the middle of a season.

Unless special arrangements have been made with the Athletic Director, no athlete will be allowed to participate in an athletic contest at BCS until all required forms have been signed and returned, and all fees have been paid.

### **Academic Standards**

Academic dishonesty is defined as any activity that tends to undermine the academic integrity of BCS. Academic dishonesty includes, but is not limited to, the following: Cheating, fabrication, plagiarism, interference with other students' work, or facilitating academic dishonesty. An administrative review will occur in all instances of academic dishonesty. Consequences may include: partial/full loss of credit for the assignment, exam, or project that is the subject of academic dishonesty; loss of credit for the class that is the subject of academic dishonesty; removal from student leadership positions (student government, valedictorian, salutatorian); and /or any Category I, II, and III consequences as described in detail on pages 18-20 of this handbook. In instances of academic dishonesty regarding a specific assignment, exam, or project, students may or may not be allowed to redo such assignment, exam, or project, students may or may not be allowed to redo such assignment, exam, or project, with a reduced grade awarded.

### **Academic Probation**

Students not maintaining current grade level standards may be placed on academic probation. Parents will be notified and the administration will review each case on a continuing basis. Students who do not maintain a 2.0 GPA in the "core" subjects (English, History, Math and Science) will be considered for probation.

### **Course Work**

All course work shall follow the guidelines of the teacher syllabus for each specific class. Students will receive an incomplete ("I") on their report card if the course work was not completed within the nine week grading period, or longer if extenuating circumstances apply. If excused due to any extra-curricular activity, the student is responsible for homework in all classes.

### **Homework**

Homework is defined as all additional assignments, or as a remedial activity, an enrichment activity, part of special project, or long-term projects that may require extra time outside of class.

Students are expected to complete homework assignments on time. The time required to complete homework varies depending on the grade level of the student. If the assignment is posted on RenWeb/FACTS SIS, it is expected to be turned in when the student returns to school unless communication is made with the subject area teacher. If it is not posted, the student has the number of days they were absent to turn in the assignment.

## **Exams**

Middle school students will be given comprehensive exams over material covered during the quarter, unless otherwise specified by the classroom teacher.

Eighth Grade students enrolled in High School courses, and all High School students, will be given exams in all major subjects including, but not limited to: Math, English, Science, Social Studies, Bible, Performing Arts, Visual Arts, PE, and Technology courses. These exams will be comprehensive exams over material covered during the semester.

### **Exam Exemption:**

Students in 12<sup>th</sup> grade may exempt exams the second semester of their senior year. They must have an A average (90% or above), no unexcused absences (appropriate documentation must be received within two weeks after the date of absence), no more than 2 unexcused tardies, and no disciplinary issues for the entire school year to be eligible to exempt an exam. A student may not have an excessive number of excused absences, as determined by administration, in order to exempt an exam. Students having between 5-10 excused absences with appropriate documentation (i.e. doctor's note) per semester will be subject to administrative review under this policy. Students having more than 10 excused absences a semester do not qualify for exam exemptions under this policy.

Any student who has not met all financial and school obligations may not exempt an exam.

It is up to the individual teacher's discretion to decide whether certain classes are eligible for an exam exemption. Individual teachers also have discretion to set more stringent criteria for exam exemption.

Any make-up exams may be given as designated by the teacher or administration.

## **Honor Roll**

Honor Roll is a reward and recognition of academic achievement and exemplary behavior.

*Principal's Honor Roll:* All A's

*Honor Roll:* At least 4 A's and no grade lower than a B,

## **Community Service**

Because we are a ministry, we believe our students should be involved in serving others. Middle Division students are expected to accumulate 5 service hours per grading period (20 per year). Due dates are posted on the school calendar found on the school website.

All Upper Division students will be required to accumulate a minimum of 80 hours of service during their four years of high school through an approved non-profit group.

Details on approved service criteria for high school will be distributed by the Guidance Counselor and/or Bible teacher at the beginning of the school year.

## **Drop/Add**

Dropping a class is handled on an individual basis as needed and must occur within the first two weeks of the semester in order to receive a W/D grade. Parents/students may

petition the administration in writing to drop/add a course. Requests to drop a high school class must be approved by administration, college counselor, and parent. Leaving a class after the first two weeks of the semester will result in an “F” grade. Separate, specific rules apply to dropping HCC dual-enrollment and Florida Virtual School classes.

Students qualifying to take an Honor’s course have a two week drop/add period to modify from honors to general education. Students who wish to take honors and who were enrolled in the general education course have a two week drop/add period to modify from general to honors. All adjustments to a student’s schedule must be approved within the two-week period by the administration, the college counselor and a parent.

### **Bible Teaching/Chapel**

The fundamental spiritual basis of Bayshore Christian School is the belief that the Bible is inspired by the Holy Spirit, and is the infallible Word of God. Students study the Bible and attend weekly chapel to learn Bible content, Christian principles, and how to apply the Word of God and Christian principles to their lives.

Bible is the foundational subject in our school. All students in grades 3 through 12 are required to have a traditional translation of the Bible for classes. The New International Version (NIV) of the Bible is used in Bible courses. Inspirational chapel services are held weekly, during which time the students learn, sing, and hear testimonies and character building messages from the Word of God. Parents are invited to worship at chapel services. Chapel days will be on a designated day of the week (to be announced before the beginning of the year) throughout the year.

### **Physical Education Requirements**

To satisfy high school Physical Education requirements, students are required to take the HOPE class or participate in two varsity seasons plus a semester of Health.

Middle and Upper Division students who take physical education will "dress out" for P.E. classes (6<sup>th</sup> – 12<sup>th</sup> only). Approved excuses must be provided when a student does not dress out. Students, wearing apparel other than the approved uniform will be considered not “dressed out”. Each time a student is not dressed out and it is unexcused, a zero will be given for the day in P.E. class. Students must dress out at least 85% of the time in order to pass P.E. Only a doctor’s excuse is permitted for allowing a student not to dress out for prolonged periods.

Only approved P.E. uniforms are permitted. P.E. uniforms are may be ordered from Lands’ End.

### **Testing Program**

National achievement tests are administered to grades K5-9 each year in the spring. This is a week-long test. Students who are absent during that week will not be able to make up the test. Testing results are e-mailed home at the beginning of the summer.

## **College Placement and Testing**

As a student begins to prepare for college, Bayshore Christian School's guidance office will provide assistance in planning for college selection, entrance, scholarships, and financial aid. Students are also given opportunities to take the Preliminary Scholastic Aptitude Test (PSAT) in 8<sup>th</sup>-11<sup>th</sup> grades. Students are encouraged to take both the SAT and the ACT. The ASVAB is given to juniors and/or seniors to help them in the selection of college majors and careers. They are also counseled as to whether to pursue dual enrollment opportunities.

## **Virtual Learning/Blended Learning Protocol**

Blended learning is an option if one of the situations below has occurred. This option involves increased responsibilities for our teachers; therefore, parents must request this option on a quarterly basis by the dates below. The school may or may not grant the family's request on a case-by-case basis.

Blended learning pace is determined by the instructor based on students' needs and level of understanding.

Be prepared for a full day of instruction, which may include live streaming of synchronous instruction and/or e-learning with structure provided by the teacher. Time may be allotted for independent classwork, group work and/or assessments. Homework may or may not be assigned outside of the class period.

### **When will blended learning occur:**

- If the classroom/school needs to close 48-72 hours for sanitation
- Student tests positive for Covid-19 and must quarantine for 14 days
- Student travel requires quarantine
- Student has been exposed to Covid-19 and required to quarantine
- Student is immuno-compromised or has underlying health conditions

### **When will virtual learning occur:**

- Due to State of Emergency declared by Local/State Government
- Delayed reopening due to inclement weather
- 

### **Middle Division Sample Schedule:**

## **4. HONOR SOCIETIES**

Bayshore has charters in six honor societies. Membership into honor societies is by induction for students meeting the specified qualifications. Also, all honor society students should demonstrate good behavior, character, leadership, and service. There are fees associated with each honor society. Students are responsible for payment of such fees.

Students removed from honor societies during their senior year will not be listed on the graduation program as members of the societies and will not wear honor society cords.

## **5. ATTENDANCE REQUIREMENTS**

### **To Be Counted Present**

For 8<sup>th</sup> grade students taking high school classes and upper school students to be considered in attendance for a school day, the student must be present for at least one half of his or her scheduled academic classes for that day, except if involved in a school-related activity. A student must be in attendance for at least one half of his or her scheduled academic classes to be eligible and participate in extra-curricular activities for that day unless approved by administration. This includes meetings, practices, and/or games.

### **Tardies**

#### *To School:*

Students are expected to arrive at school on time every day. Parents are expected to insure that students arrive on time. Tardies will be monitored by the administration.

If a student arrives at school after classes have begun, including homeroom and/or Chapel, he/she must obtain an admission slip from the school office before being admitted to the classroom.

#### *To Class:*

A student arriving after the start of class is considered tardy. Any student more than 3 minutes late for any class must go to the office before being admitted to the classroom. In these circumstances, teachers will notify the school office.

Excessive tardies may result in the following:

3 <sup>rd</sup> tardy:	one unexcused absence
Five or more tardies:	referral to administration and possible in/out of school suspension

Excessive tardies may result in academic penalties or additional disciplinary action, and an administrative conference with the parent.

### **Excused Absences**

The following shall constitute a valid excused absence for non-attendance of part or all of a day for a student at school, provided satisfactory evidence of the excuse is given to the school office in writing within 24 hours of the student's return to campus: personal illness or injury; death, illness or injury within the immediate family; instances where attendance by the pupil would be hazardous; prior approval of special absences; school-related activities; validated doctor appointment; validated appointment for driver's license test date; college visit (3 per year for 11<sup>th</sup> & 12<sup>th</sup> grades). As a courtesy, parents are asked to notify the school office prior to 9 a.m. on the day of the absence.

We strongly encourage appointments to be made outside of normal class time. All schoolwork must be kept current. Family vacations are not considered excused absences and should be limited to school holidays: Thanksgiving, Christmas, and Spring Break. Prior approval is required for extended absences.

### **Unexcused Absences**

The day the student returns to school, parents must send a note to the school office explaining why the student has been absent from school. If a note that satisfies the excused absence criteria is not received, then the absence is considered unexcused.

### **Excessive Absences**

In order for students to gain the most in school, they must be in regular attendance. Excessive absences (excused or unexcused) could place promotion and/or re-enrollment in jeopardy.

A student who misses 15% or more of their class time or the entire school day in an academic semester is considered excessively absent. Consequences for excessive absences include, but are not limited to, parent conferences, detention, suspension, dismissal, and/or grade retention. A student with a history of excessive absences may become ineligible to re-enroll in BCS. In cases of extended illness or injury, a parent may be required to submit a written statement from a doctor indicating the dates and reasons for the student's inability to attend classes.

Any student who is absent more than 20% of their academic year (excused or unexcused) may not be promoted to the next grade level or pass the course. Any exception to this policy must be approved by the Administration.

### **Pre-Approved Absences: TIMELINE**

Any reason for absenteeism other than those listed above must be approved one week in advance. These may include attendance at a Christian retreat, educational travel, court proceedings, and immediate demands of the home. Students should turn in a completed assignment slip with the parent's signature and the teachers' signatures to the school office for administrative approval. The purpose of the assignment slip is to ensure that

assignments are obtained and necessary arrangements are made prior to the scheduled absence. In the event that student assignments can be obtained from the RenWeb/FACTS SIS system, an assignment slip is still required.

When a short-term absence is required, an assignment slip must be completed. Students will be encouraged to do their work in advance of the excused absence if possible. If major assignments will be missed, arrangements should be made prior to the absence. All projects, papers, or tests should be turned in prior to the trip unless special arrangements are made with the teacher. A request for absence submitted less than one week in advance will be denied unless there are extenuating circumstances. If an assignment slip is not obtained and processed as stated, the absence will be considered unexcused.

### **Leaving School Early**

A student will be allowed to leave school early when a parent calls the school on the day he/she is to leave early, or when a parent comes into the office to sign the student out. All students who leave campus for part of a day must have a parent sign them out in the office. Upon return, the parent must sign them in. Absences from class will follow the "Attendance Requirement" guidelines to determine excused or unexcused status.

### **Working Students**

Students holding a part time job are not allowed to miss/skip co-curricular school field trips, programs, or other required events for work purposes.

### **Work Missed**

Parents of absent students should check RenWeb/FACTS SIS for work assignments. If this information is not available, call the school office prior to 9:00 a.m. to request work assignments in order to allow teachers time to make appropriate arrangements. It is the student's responsibility to obtain class notes and make-up work. Students/parents should also check RenWeb/FACTS SIS for any assignments missed or upcoming tests/quizzes.

An unexcused or incomplete homework assignment may be recorded as a zero. Any continued recurrence may result in a parental conference for suitable corrective alternatives.

Students are expected to complete homework assignments on time. The time required to complete homework varies depending on the grade level of the student. If the assignment is posted on RenWeb/FACTS SIS, it is expected to be turned in when the student returns to school unless communication is made with the subject area teacher. If it is not posted, the student has the number of days they were absent to turn in the assignment.

Any student who checks out of class before 2/3 of the class is over for any reason other than medical emergencies or school-related activities will not be given credit for attending.

If a student's absence is excused, work may be made up and tests rescheduled. It is the

student's responsibility to make arrangements with the teacher to make up the work or schedule make-up tests. If a student's absence is unexcused, work due and tests given the day of the absence may not be made up, and the student may receive zeros for this work.

### **Perfect Attendance**

Perfect attendance is the absence of any tardies, partial days, or days lost from school with the exception of approved school activities and functions such as school competitions or field trips and approved doctor appointments (check-ups, dental cleanings, etc.). Perfect attendance will be recognized by the Administration at the end of each semester.

## **6. STUDENT HEALTH SERVICES**

### **School Clinic**

The school clinic, known as the sick room, is equipped for many situations. Ill students are provided a room with a medical bed to keep them comfortable while waiting for pick-up. The bed uses paper linens for cleanliness. The bed is wiped clean with Lysol wipes at the end of the day and between student visits.

The room is equipped with desks, exam lamps and seating area for head checks in case of head lice. A wheel chair is kept in the room should it become necessary. Isolated students are supervised by a school secretary certified in first aid and CPR. All clinic visits are recorded in RenWeb/FACTS SIS under the student's medical event log. Students with a 100.4 degree or higher fever or vomiting, are sent home. Students may return after 24 hours fever or vomiting free without fever reducing medications.

### **Medications**

Students are not allowed to have medication, over-the-counter or prescriptions, with them in the classroom. Bayshore is required by the Florida Statutes 232.46 and 230.0316 to have written permission from a guardian or parent before medications are dispersed. Medications must be in the original packaging. Prescription medications must be in the prescription container with date, dosage, and name of drug, student and physician's names clearly marked. Medications should be sent to school with a responsible adult.

Parents must come to the office to complete a medication form if students are required to take medications during the school day. A new form is needed for any changes in the disbursement or name of drugs. Medications are kept in a locked cabinet within the school office.

## **COMMUNICABLE DISEASE(S)**

The term "communicable diseases" is defined as an infectious disease transmissible (as from person to person) by direct contact with an affected individual or the individual's discharges or by direct means. Students suspected of having a communicable disease as identified by a fever, or as confirmed by a medical doctor, must be sent home and may

not return until after 24 hours of being fever free. Students showing symptoms of a communicable disease (such as, but not limited to, influenza) should not be at school or school related events.

Students with conjunctivitis or “Pink Eye” are sent home to be seen by a doctor. Students may return to school after 24 hours of medication. Other ailments will be handled on a case by case basis.

## **LICE**

Students with head lice will be isolated in the school clinic while waiting for parental pick up. Students are kept out of school until fully treated at home and nit free. Student may return after passing additional inspection.

## **9. CARE OF PROPERTY**

The willful damage or destruction of school property will not be tolerated. All willful damage must be paid for. All students are expected to report any damage to furniture or other school property immediately.

All students at Bayshore Christian School are expected to take good care of the equipment, materials and school property used during the school day/year. Should a student behave irresponsibly with any of the school's materials or equipment and as a result break, lose, or destroy the equipment or material, the student will be required to replace the item.

Faculty and staff will return phone calls during planning periods and after their instructional day within 24 hours.

Email communication

In order to provide a safe, caring and orderly environment, Bayshore Christian School expects **CIVILITY** from **ALL**, who engage in school activities. Mutual respect, professionalism, and common courtesy are essential qualities the **ALL** need to demonstrate in promoting an educational environment free from disruptions, harassment, bullying and aggressive actions.

### **UNACCEPTABLE BEHAVIOR**

- ❖ Behaviors which interfere with or threaten to interfere with school activities.
- ❖ Using loud offensive language or profanity.
- ❖ Intimidating, harassing, bullying and inappropriate display of temper.
- ❖ Threatening verbal or physical harm.
- ❖ Threatening, abusive, or obscene telephone conversations, written communications, electronic mail or voice mail.

**Parents & Members of the Public Recourse:**

Any individual subjected to unacceptable behavior may bring his or her concerns to the attention of an immediate supervisor/administrator-in-charge who will follow established procedures for review and resolution of the incident.

**11. COMPUTER USE/iPads**

All 6<sup>th</sup> – 12<sup>th</sup> grade students will be issued an iPad for academic use. Internet connected computers are also available on campus for research, project based learning, coursework and eBook connections. Students will receive instructions prior to use. Filtering software is enabled on all campus computers and wireless networks in order to minimize the risk of exposure to inappropriate material. Students using iPads and/or electronic devices on campus must use the school server connection. Using a personal hot spot or Wi-Fi service connection will result in having the device confiscated. The student will then be disciplined according to policy. Virus protection software is used and updated regularly.

Downloading inappropriate information or changing any computer settings will be considered vandalizing school property. Students involved will be disciplined and use of a school computer could be suspended or terminated.

Students will use the internet for educational purposes only. Students will not copy information into assignments and fail to acknowledge the source (plagiarism and copyright infringement). Downloading materials or images not relevant to their studies is in direct breach of the school's acceptable use policy.

Misuse of the internet may result in disciplinary action, including written warnings, withdrawal of access privileges and in extreme cases, suspension or expulsion. Parents and students must sign an agreement form prior to computer/iPad use.

**Electronic Devices:** iPads and/or electronic devices should be used in class as part of classroom curriculum or outside of class for academic work/study purposes. Parental communication during school hours is only permitted via the phone in the school office. If a student misuses any electronic device during school hours without teacher permission, the device will be collected by a teacher or administrator and turned in to the main office. On the first violation, the student may pick up the electronic device in the

office after school. For subsequent violations of the policy, the parent or guardian must come into the office to retrieve the electronic item.

**Network/Internet Access Policy:** Students may not violate the personal rights of others in any school situation where a reasonable expectation of privacy exists. These locations and circumstances include, but are not limited to, locker rooms, restrooms, and any other area where students or others may change or be in any stage of disrobing or changing clothes. This expectation of privacy includes no passive recording where a device might be left so that students may not be aware that their image and/or voice is being recorded.

Active or intended image capture/recording anywhere on campus during school hours, either indoors or outdoors, is prohibited without administrative approval. Active image refers to still or moving images obtained by a photographic device (camera, video, CCTB, camera-enhanced smart phone, iPad/tablet or computer of any kind from current or future technologies). In addition, uploading of said images to any social networking site is strictly prohibited without administrative approval.

**Prohibited Devices: (smart watches)** Cell phones, or other handheld electronic devices are not conducive to a serious learning environment and their use is prohibited during the school day. This includes phone in “silent” mode. Phones and devices will be confiscated by the teacher and remitted to administration. Phones will be confiscated if they are “seen” during the school day. The first offense will be a warning. The second offense will be confiscation and afterschool/weekend detention. Further consequences include the need for parents to pick up the device and disciplinary referrals.

**iPad Usage:** Each BCS student in grades 6-12 is issued an iPad for academic use. These devices are issued pursuant to a yearly agreement between the parent, student, and the school. Each iPad is the property of Bayshore Christian School and parent/student accepts full and complete responsibility for the care and custody of their issued device for the duration of the school year. The intended use of the iPad is for academic purposes; iPads shall be used solely for this intended purpose at all times (whether on campus or off campus).

Refer to User Agreement per iPad issued.

The iPad is to be brought to school each day for academic use. The iPad should be on campus, fully charged, at the start of each academic day. Should a student forget or neglect to bring the iPad to school, or should the student fail to bring the iPad to campus fully charged, there will be a \$10 iPad daily rental fee assessed and the student will be provided a iPad for use from 8am-3pm on the respective academic day. This daily rental iPad may not be removed from campus and must be returned to the location of the loan no later than 3pm. Any and all daily iPad rental fees will be payable to Bayshore Christian School, and assessed immediately via the family FACTS account.

While using the iPad on campus, students must keep their issued device in their immediate personal possession and control, or secured in their assigned locker on campus.

### **11a. Blended Learning: COVID-19/Emergency School Closure**

**12. CONDUCT AND DISCIPLINE**

One of the chief components of discipline at Bayshore Christian School is the understanding that the school is not the primary discipline provider of any student. Parents are the primary discipline providers for their own children. However, by attending Bayshore Christian School and agreeing to uphold the philosophy, mission, and policies of the school, each student has placed himself/herself under the school's authority, rules, and policies. When students enroll at Bayshore Christian School, they agree to abide by the standards of the school *on and off campus*.

Bayshore Christian School will enforce discipline from a Biblical standpoint. We strive

to have a society that reflects Christ-like behavior. All students should understand and abide by our effort to enforce Biblical discipline.

### **The Honor Code**

The Honor Code encompasses six main areas: lying, and/or cheating, stealing, defaming others, intentionally damaging the property of another, or remaining silent while having knowledge of these actions. In the BCS community, lying, cheating, stealing, defaming others and intentionally damaging the property of others and will not be tolerated.

**Lying:** A person lying or purposely misrepresenting the truth violates the Honor Code.

**Cheating:** A person, giving or receiving unauthorized help on a test or graded assignment, or a person submitting the work of another as his/her own work (plagiarism) violates the Honor Code.

**Stealing:** A person taking belongings or materials which are the property of another violates the Honor Code.

**Defaming Others:** A person writing or speaking with malicious intent to injure unjustly a person's reputation violates the Honor Code. Malicious intent is the deliberate attempt and plan to do harm. This includes all communication sent via text message and social media outlets. (Online bullying and sexting are examples of defaming others.)

**Intentionally damaging the property of another:** A person deliberately and intentionally causing damage to property of the school, the property of the faculty and staff and administration, or the property of his/her fellow students violates the Honor Code.

**Remaining silent while having knowledge of these actions:** When someone has personal knowledge of Honor Code violations, they are obligated to inform the proper authority (teacher, coach, administrator, etc.)

### **Corrective Discipline**

Order is necessary in any school to maintain control and to effectively teach. To teach self-discipline and respect for authority, certain standards of conduct are maintained at BCS.

Students are expected to comply with the standards and regulations of the school with a positive attitude. They are encouraged to use respectful manners when conversing with a teacher or other adults. Correction by a teacher should be accepted without argument. If there is a question concerning the violation of a rule, the student should discuss it with the teacher privately. Courtesy and respect for fellow students is also expected. A student who does not respond to corrective discipline and who displays an attitude which is consistently out of harmony with the spirit of the school, will be considered for dismissal.

Bayshore Christian School reserves the right to suspend and, when circumstances warrant, to dismiss students whose behavior is disrespectful, disruptive, immoral, or illegal. BCS also reserves the right to suspend or dismiss a student whose conduct is

detrimental to the school community. This includes behavior at school activities and outside of the school campus or school related activities or events.

The disciplinary process of the school is designed to support the members of the school community and the school's mission and reputation. It is the intention of the school to use minor problems and misconduct as teaching opportunities. BCS will, however, separate the student from the school when actions or behaviors, whether involved with school events, activities, or during the school day or not, determine that continuation damages the community or the ability of the school to pursue its goals.

### **Discipline Categories and Consequences**

Misconduct has been classified and divided into three categories, depending on the severity of the violation. The category and the consequences are at the discretion of the teachers, and/or the administration.

#### **Category I**

These incidents are activities that violate Category I rules or any other minor disturbances that prevent classroom order and instruction, such as, but not limited to the following offenses:

- Dress/Hair code violation
- Late homework
- Talking or disrupting class
- Tardy to class
- Public display of affection
- Chewing gum
- Food or drink in class or hallways
- Inappropriate use of electronic devices

**Consequences:** Additional work, lunch detention, after-school detention, parent notification via RenWeb/FACTS SIS, student-administration conference, suspension of extra-curricular activities or Category II consequences for recurrent offenses, as determined by the Administration.

#### **Category II**

These incidents are activities and attitudes that show a lack of respect for authority, frequent and repeated violations of Category I offenses, or any of the following offenses:

- Cheating
- Plagiarism
- Leaving school grounds without permission
- Using profanity
- Misconduct
- Disrespect of authority
- Destroying school property or personal property
- Truancy
- Lying
- Not attending scheduled detention
- Inappropriate use of an electronic device

**Consequences:** Student-administration conference, parent-administration conference, RenWeb/FACTS SIS notification, multiple-day detention or suspension, suspension of extra-curricular activities or Category III consequences for recurrent offenses, as determined by the Administration.

### Category III

These incidents include violation of U.S., state, or local laws, activities that seriously threaten the safety of the student or classmates, activities that show gross lack of respect for authority or property, and activities that violate Biblical moral codes of conduct, frequent and repeated violation of Category II rules, or any of the following offenses:

(Regardless of age.)

Vaping

Inappropriate use of an electronic device

***\*No weapons of any type or objects that may serve as a weapon, (including pen knives or pocket knives), or items that look like or resemble weapons are allowed on school grounds.***

**Consequences:** Offenses may result in suspension or dismissal/withdrawal, as determined by the Administration.

**Public Displays of Affection:** Kissing, hand holding, clinging, hugging, and any and all other displays of romantic affection are not appropriate to the academic setting. The first offense will be a warning. A second reminder in this regard may result in a parental call, conference, or disciplinary action.

### *Summary of Consequences*

#### Detention

Elementary detention is held from 3:00 – 3:45 p.m. Middle and Upper Division detention is from 3:10 pm – 4:10 pm. Appropriate work will be given and expected to be completed by the student during this time. Manual labor may be given; this may include cleaning classrooms, facilities, etc. Multiple detentions may result in suspension. Failure to attend the detention at the appointed time will result in an additional detention being required. The second and subsequent failure to attend the detention will result in a suspension for each detention missed.

### Dismissal from Bayshore

Dismissal will be recommended if it becomes apparent the school will not be able to meet the needs of a student, or if that student's behavior is preventing classroom instruction. In addition, the school reserves the right to dismiss any student who does not, or whose parents do not, cooperate with the educational process at BCS as determined by the administration.

Students who have been dismissed from Bayshore Christian School may not return to campus, whether during the school day or during on campus school events after school hours.

### Suspension – In School

In-School Suspension (ISS) removes the student from class to be assigned to campus beautification, silent study hall or a combination of the two (at the discretion of administration). When assigned to ISS a student is counted as present in school and may make up all work missed. Students assigned ISS may not participate in any school functions unless approved by administration.

### Suspension – Out of School

Out-of-School Suspension (OSS) may be assigned for a period of time to be determined by the administration. It may also be assigned if In School Suspension has been used and not proved effective in producing an obedient response. No missed work, including assessments, will be made up and may result in a decline in a student's quarter/semester grade.

## **13. SEARCH AND SEIZURE POLICY**

The school administration makes every attempt to maintain a school environment that is safe and conducive to learning. Whenever the school has reasonable suspicion, the administration reserves the right to search student lockers, book bags, backpacks, purses, automobiles, water bottles, pockets, or effects and to confiscate any contraband items. Also subject to search would be any computer, software program, external data storage device, phone, or CD.

Searches will always be facilitated by an administrator and could include another adult witness. Drug sniffing dogs may be employed in the search. The City of Tampa Police Department will be notified in the event that a crime has been committed.

## **14. POLICY ON DRUGS, ALCOHOL, VAPING**

### **Smoking/Vaping/Tobacco Products**

School policy expressly forbids students from smoking, vaping, juuling, or using tobacco products, as well as possessing such products (as well as oils or liquids associated with same), at any time in or on School property, buses or other School vehicles, adjacent

properties, or School-sponsored trips. All cigarettes (including electronic), vaping devices, smokeless tobacco, lighters, matches, etc. or other devices similar to cigarettes, lighters, matches, etc. brought on campus by students will be confiscated. Discipline will be imposed based on the circumstances existing at the time and may include suspension, probation, or expulsion. Depending on the circumstances existing at the time, a violation of this policy may also be a violation of the School's Drugs and Alcohol Policy and reportable to law enforcement.

## Drugs and Alcohol

**General:** Students are prohibited from possessing, using, selling or purchasing any alcoholic beverages or other mind-altering substances (including synthetic salts or other substances), or possessing drug paraphernalia on or near School property or at School-related activities. "Mind-altering" substances includes any type of substance ingested, snorted, smoked or inserted into one's body that may impact the individual in some way. Such substances include, without limitation, alcohol, legal or illegal substances (including medical marijuana pursuant to a prescription or physician certification), over the counter salts, spices, vapors, incense, or other similar items. Off-premises possession, use, sale or purchase of mind-altering substances and off-premise alcohol abuse is also prohibited.

**Testing:** Students may be required to submit to urinalysis drug screens, blood alcohol tests, breathalyzer tests and medical examinations under the following circumstances: (a) when a student is suspected of attending School or School-related activities with intoxicants or mind-altering substances in his or her system; (b) when a student suffers an injury or is involved in an accident while at School; (c) on a periodic or random basis, including but not limited to, in connection with the student's participation in extracurricular activities; or (d) when a student is placed under disciplinary contract and such screenings or examinations are terms of the contract. The presence of alcohol or the presence of any other intoxicants or mind-altering substances in the body is a violation of this policy. Refusal of a student (by the student or the student's parent) to undergo testing or to cooperate fully with any of these tests (including signing consent forms or providing testing results promptly to the school) is also a violation of our policy and will result in expulsion.

This policy does not prohibit the proper use of medication under the direction of a physician, although the use of medical marijuana is prohibited in all circumstances. However, the misuse or abuse of such drugs is prohibited. Students who are taking prescription or nonprescription drugs must notify an administrator in the School Office of this fact when they report to School.

**Consequences:** In addition to determining the appropriate disciplinary action pursuant to the School's Disciplinary Rules, the School reserves the right to impose the following additional or different requirements as appropriate for the circumstances: determination of possible legal action; required professional counseling approved by the administration; removal from all elected or appointed positions of leadership in the School; required random and/or regularly scheduled drug and/or alcohol testing at a School-approved local clinic or doctor's office for a time period and at intervals to be determined by the School's administration. Refusal of a student (directly or through a parent/guardian) to undergo

testing or to cooperate fully with any of these tests is considered a positive result and will result in automatic expulsion.

This policy pertains to all students, regardless of state laws regarding legal drinking age. While we recognize that it may at one time become legal for students ages 18 years or older to consume alcoholic beverages in the state of Florida, the policy at BCS is for our students to refrain from doing so.

By acceptance of enrollment at Bayshore Christina School., students and their parents or guardians consent to and authorize all reasonable action on the part of BCS administrators to enforce this rule. Such action includes, but is not limited to, the utilization of searches, questioning, and screening or referral to drug screening.

## **15. DRESS CODE AND UNIFORMS**

A student may never be out of uniform at any time during the school day unless he or she has written permission from administration or in the event of special non-uniform days as approved and announced by administration.

The administration reserves the right to send home any student if his/her dress is not within the uniform guidelines or is deemed inappropriate. Parents may also be notified to bring appropriate uniform items to school in order for the student to remain on campus for the school day.

Uniform violations will be recorded in RenWeb/FACTS SIS and consequences are cumulative. The first offense merits a verbal warning. The second offense merits a phone call to parents to provide appropriate uniform attire and/or students sent home to retrieve appropriate uniform attire. The third offense merits a detention.

“Spirit wear” shirts and sweatshirts may be purchased in the School Store. “Spirit wear” may be worn on Fridays.

All uniform clothing must be purchased from Lands’ End. Orders may be placed at [www.landsend.com/school](http://www.landsend.com/school) or by calling 1.800.469.2222. Our Preferred School Number is 900132077.
